

## 2007 IKC HOUSING August 16, 2007

### Telephone Calls:

All the hosts are within the (415) Area Code unless otherwise noted.

If you are also calling from a 415 Area Code number, just dial the number and not the Area Code.

If you are calling from outside the (415) area, dial 1+415 – then the number.

All Mobile numbers are an international call, regardless of where you are calling from.

### Car:

Several locations will require a car – see the column “Need Car”. If you see the word “Host” in that column, it means your host is also participating in the IKC and may be able to provide transport to the club. Please check with them.
